All diagrams on the sheet are only provided as an approximate representation of the footprint of the lounge and are in no way intended to represent the actual shape of the lounge.

Web Product Data

- A very chic silhouette comprising layered channel tufting, stitched into a luxurious leather giving a ribbed look.
- Channel tufting leading the eye horizontally through your space.
- Armless designs are getting more popular, they take up lesser room space and make the room look more spacious.
- Each piece is fully finished down the sides to ensure they can be stand alone chairs or added to a modular configuration.
- A casual seated feel, but supported enough to ensure ultimate comfort when lounging and an authentic lived-in look.
