Please Note: Dimensions quoted on this document are in Centimetres and approximate, may vary slightly from the actual product All diagrams on the sheet are only provided as an approximate representation of the footprint of the lounge and are in no way intended to represent the actual shape of the lounge.					

Construction

Additional Comments

COVER TYPE: LEATHER

COVER DESCRIPTION:

CAT K = Vintage Leather

CAT M = Performance Leather

FRAME: Hardwood Frame

BACK CUSHION: Polyester Fiber

BACK SUSPENSION: Webbing + High Density Foam

SEAT CUSHION: High Density Foam + Polyester Fiber

BASE SUSPENSION: Webbing + Zig-zag Spring

BOTTOM BASE: Oak

LEG: Metal

PLEASE NOTE:

The vintage leather used on this lounge is a top-grain leather that is very unique. Every piece will have different markings and colour variations. Scars, creases and wrinkles are a normal characteristic of this leather showing the natural characteristics of the hides – that is the beauty of this leather!

Colour variances between batches of leather are more apparent with this Vintage-style leather.

This leather easily marks with use – the scars, scratches and wrinkles occur naturally on the leather hides, which show through the finish during the aniline dyeing process. This is a normal characteristic of aniline leather and not considered a defect. This adds to the beauty of its "rustic" look. Generally, rubbing the surface scratches with your finger, releases the natural oil, which blends away the marks and makes them less pronounced.

Regular maintenance is important:

- Dust gently with a soft cloth to keep it free of surface dirt
- Soiling can be wiped with a clean damp cloth
- Do not soak, vigorously rub the leather or use the detergent on it
- After cleaning, wipe with a dry cloth
- Keep out of direct sunlight to avoid colour fading
- Do not place hot objects onto the sofa

WXC/WXB = 3S + CHAISE photo attached below for your reference. (Cushions are not included)
